

TEMIDAYO GEORGE-OLUMOROTI

TELECOMMUNICATION ENGINEER

Phone

0806 832 9075

Email

george.temidayo@gmail.com

Address

42A, 122road, Gowon Estate, Egbeda, Lagos State

PROFILE

To contribute positively to a growth driven organisation where analytical reasoning, technical support and efficient management are needed.

With a background in telecommunication networks, leading network planning and implementation initiative and aligning technical activities with business strategies, I also have a core strength in team building and leadership.

I am humbled to have established myself as a valued contributor to the development of telecommunication networks and wireless technology.
